

The Track Celebrates its 25th Birthday

Family Recreation Centers Marks its Anniversary by Beginning Their Season with a Come Back Dinner!

Pigeon Forge, TN (Vocus) January 7, 2009 -- [The Track](#), the family headquarters for fun in Pigeon Forge, TN, announced that it is celebrating 25 years of offering affordable family fun. To mark the occasion, The Track will be beginning their Season with a Come Back Dinner! They will be inviting back all their employees, past and present, for a day of food, fellowship, and fun! The Track will be having several events taking place throughout the year in Celebration of this milestone.

"As we continue to grow and expand our family recreation centers, we are thrilled to have become a tradition for visitors to the area," said Vic Barrett of The Track. "We have reached this tremendous milestone with such success and hope to continue to offer families an affordable and fun vacation for many more years to come."

Opening the doors to its first location in Pigeon Forge, Tennessee in 1984, The Track now welcomes 12 million visitors each year to see the Smoky Mountains and enjoy amusement rides, including the Wild Woody, a wooden go-kart track that has the feel of a roller coaster with its twists and turns, two miniature golf courses, Blaster Boats, Bumper Cars and more.

The Track has opened 2 additional locations over the years in [Gulf Shores, Alabama](#) and [Destin, Florida](#).
