(PRWEB UK) 31 December 2013 -- Digital Sports Group has just added new "[Stunt Driver Training Experience](#)" to their flagship website TrackDays.co.uk. Guest Drivers will learn handbrake turns and 180 degree spins with these exciting Stung Driving Track Days.

It is estimated that less than one percent of car owners truly understand how to drive skilfully and safely at speed, on both road and track. Enjoy a track day driving experience and become one of the top one Percent of drivers.

These driving and stunt courses are designed to improve guests driving skills in a performance car for both road and track use. Stunt driving experiences feature two wheeled passenger rides, hand brake parking, skids and slides, timed slaloms and so much more. All skill tuition is done on a one-to-one basis and they are aimed at vastly improving guest driver's abilities whilst having a huge amount of fun.

Dan Jones, Operations Manager for [TrackDays.co.uk](#) said, "With this exciting Stunt [Driving Experience](#), guests can learn the driving skill as seen in many Hollywood films. Such as 180 degree spins, hand break turns and high speed reversing techniques."
