

## **Dealer Capital Launches New, Highly Competitive Auto Loans Purchase Programs Nationwide**

*Dealer Capital LLC, the one-stop-shop for the most superior cash flow products and services nationwide, launches new and highly competitive auto loans purchase programs. The company offers the most lucrative deals possible in today's sub prime market.*

Boynton Beach, FL ([PRWEB](#)) December 31, 2013 -- [Dealer Capital](#) LLC, the premier funding source for independent automobile dealers in the US, are pleased to announce the launch of new, highly competitive auto loans purchase programs.

The company is a nationwide [auto note buyer](#) with no restrictions to the size or the types of auto portfolios they purchase. Their lucrative programs are addressed to independent auto dealers, franchise dealers, auto finance companies and any other party interested in selling auto note bulk paper portfolios.

As Bill Campbell, CEO at Dealer Capital LLC, explains, “We have partnered with the nation’s premier banks, finance companies, credit unions and private investors to offer our clients the most profitable deals possible in today’s sub prime market. Our goal is to earn our clients with honesty, integrity and customer satisfaction.”

Dealer Capital LLC specializes in all auto bulk portfolios ranging from prime auto paper to deep sub prime auto paper (BHPH) as well as auto lease portfolios. They have the ability to advance over 105% of the principal balances on prime auto bulk portfolio purchases and up to 90% of the principal balances on sub prime and buy here pay here auto portfolios, for qualified candidates.

And Mr. Campbell adds, “We are the top buying source in the market when it comes to purchasing auto bulk paper. We can offer our clients top dollar for their bulk car notes quickly and securely providing immediate cash flow.”

By selecting Dealer Capital LLC, clients can increase loan sales and reinvest profits back into the core of their business. This way they eliminate the need for outside financing, credit line or bank loan and can offer a better product to their customers.
