

Mobile Auto Service – 10 Years In Business and Still Going Strong

Mobile Auto Service provides 24-hour emergency roadside service throughout Maryland, Washington DC, Virginia, Pennsylvania and Delaware.

Street, MD ([PRWEB](#)) January 07, 2014 -- Mobile Auto Service, based in Harford County, Maryland, was started by the owner, at the age of 20 years old, with the last \$2,000 he had and a dream. With the odds stacked against him, he worked night and day to establish the elite mobile mechanic company he has today. 10 years later, he now employs a crew of guys and runs a fleet of on-site mechanic trucks. They also provide 24-hour emergency roadside service throughout Maryland, Washington DC, Virginia, Pennsylvania and Delaware.

Mobile Auto Service (www.remotemechanic.com) is licensed and insured and services commercial and residential customers. Their services range from regular vehicles (maintenance and repairs to full engine rebuilds) to small engine work (lawn mowers, snow blowers, carburetor repairs) to full fleet maintenance programs. [They are the fleet pros!](#) With outstanding customer service and diverse mechanical knowledge, Mobile Auto Service is the best remote shop on wheels!

Below is a list of cities that Mobile Auto Service performs on-site repairs. For inquiries, check out their website at www.remotemechanic.com.
