Daylight Transport names William Christensen Vice President, Sales and Marketing.

Long Beach, CA ([PRWEB](#)) July 19, 2016 -- Daylight Transport named Bill Christensen the new Vice President, Sales & Marketing. Bill succeeds Greg Steele, recently named Executive Vice President.

Daylight Transport, LLC is an expedited, domestic LTL carrier servicing the long-haul industry since 1977.

Christensen, a transportation and logistics veteran with Daylight Transport since 2010, had been serving as Director of Sales throughout California. “We are in an interesting and exciting time with the domestic transportation market evolving every day,” Steele said. “Daylight Transport remains committed to lead the way in expedited ground transportation service; providing timely, efficient and reliable solutions for our valued customers. Bill will be an important part of our commitment to invest in the future of Daylight as we add new service lanes, services and infrastructure to provide added value in the marketplace.”
