

Wyatt Johnson Automotive Group Announces Car Giveaway to High School Student

Wyatt Johnson Automotive Group of Clarksville, TN announces the 8th annual Pass and Go drawing Saturday, July 30th 2016 for the chance of one lucky AP student to win a brand new car.

Clarksville, Tennessee ([PRWEB](#)) July 29, 2016 -- [Wyatt Johnson](#) is honored and proud to announce the 8th annual Pass and Go program drawing for students of the Clarksville-Montgomery school system. This program encourages Advanced Placement students to obtain high-test scores, with the reward for one lucky and hardworking student the choice of a Hyundai Accent, a Toyota Yaris or a Kia Rio. This program is open to students who have passed the required exams, and with every passing test score of 3, 4, or 5, raises the number of entries for that student.

“We love supporting our school system.” Says Katherine Johnson Cannata, Dealer Principal at Wyatt Johnson. “Education continues to be so important in our country and this is one little thing that we can do to play our part. Every high school student wants to win a new car, and more students are passing the AP exam as well. It’s so exciting to see these students come together and watch the countdown to find out who the winner of that new vehicle is!”

This event takes place on Saturday, July 30 at the Wyatt Johnson Mazda Dealership on 2425 Wilma Rudolph Boulevard in Clarksville TN, 37040. Registration for the eligible students is from 4 - 5 p.m. All are welcome to come see one lucky student walk away with keys to a brand new vehicle, technology from Premier Medical Group, gas cards from William Beach Oil Co., and free pizza from Domino’s.

Wyatt Johnson Automotive Group has been in business for over 70 years, with over 900 years of combined employee experience. Their belief in providing the best buying service to their customers, while giving back to the community, is deeply rooted within the company’s mission and beliefs.
