

The Newest Procar Rally Series Seats Now Available at Summit Racing Equipment

Summit Racing now carries the latest Procar Rally Series Seats. Equally at home in musclecars, street rods, and trucks, the Rally Series seats have deep side and leg bolsters, plus excellent back support.

Tallmadge, OH ([PRWEB](#)) August 08, 2016 -- Summit Racing now carries the latest [Procar Rally Series Seats](#). Equally at home in musclecars, street rods, and trucks, the Rally Series seats have deep side and leg bolsters, plus excellent back support. Procar uses precision injected foam to make the seats comfortable. The innovative construction results in long-term durability even in the harshest operating environments.

Other features include:

- Vertical stitching that provides a vintage look
- Side bolstering adds support under hard cornering.
- TIG-welded steel frame
- One-touch recline release

Procar's Rally Series seats have a veritable smorgasbord of options, so it's easy to find a custom seating solution for practically any ride. Rally Series seats come with leather or vinyl covers in a variety of colors, with houndstooth, canvas, or velour accents. The seats can be had in a vintage lowback style, or with an optional locking headrest for additional neck support.

Procar seats are compatible with Procar seat brackets only. Summit Racing carries [seat adapter brackets](#) to install Procar seats in many popular vehicles.
