

Summer Car Raffle 2016 at Pendleside Hospice

One of the country's worthiest causes continues to provide much-needed care to individuals with life-limiting illnesses and, here at Fuel Card Services, we continue to highlight the great work that is carried out by Pendleside Hospice.

(PRWEB UK) 16 August 2016 -- Returning for summer 2016, the annual [Pendleside Hospice Car Raffle](#) will once again see entrants vying to take home a brand new car, with six local organisations having banded together to help raise the funds for this year's top prize – a Mini One.

Last year, more than £27,000 was raised as part of the summer raffle, with the hospice hoping that even more can be raised in 2016 to help support the ongoing operation of this essential facility.

Raffle tickets are now available for purchase and the final draw will be held on Saturday, September 24th at Charter Walk Shopping Centre in nearby Burnley.

All funds raised as part of the annual raffle will help to support those in need of extra attention and care as they enter the final days of their lives, after battling life-limiting illnesses. The hospice and its dedicated staff are also there for the families and loved ones of those facing these dark and trying times, providing somewhere to turn for understanding and support in their own hours of need.

Funded entirely through charitable donations, Pendleside Hospice needs the support of the local community and those with a few extra pounds in their pockets to continue providing this exemplary service.

As a result, Fuel Card Services is calling on as many people as possible to take part in this year's raffle. After all, it's for an excellent cause!
