

ETCO Incorporated Hires Account Manager for India

ETCO Incorporated has hired Mr. Vinod Reddy as a Technical Account Manager for India.

Bradenton, FL ([PRWEB](#)) August 18, 2016 -- ETCO Incorporated has hired Mr. Vinod Reddy as a Technical Account Manager for India. Mr. Reddy's responsibilities include sales and engineering for major appliance manufacturers in India. Mr. Reddy had been employed as a Product Engineer for Whirlpool in both St. Joseph, Michigan and Pune, India. Prior to that, he was an Engineer for Force Motors in Pune, India.

Mr. Reddy earned a Bachelor of Science Degree in Electronics and Engineering from Pune University, India and a Master of Science Degree from BITS Pilani, India. He speaks 6 languages and will reside in Pune, India.

Founded in 1947, ETCO is a privately owned company. The Company manufactures precision stampings and rubber and plastic molded products used principally by major automotive and appliance manufacturers. ETCO also manufactures supporting automated application equipment and has major customers in a variety of other industries in the USA and over 30 countries throughout the world. ETCO has factories and a research complex in Bradenton, Florida and a factory and engineering center in Warwick, Rhode Island.
