

## **Duragloss to continue Sponsorship for 2004 Season!**

*The one of the premiere manufactures of car care products in the world, Duragloss, has signed to continue their sponsorship for the 2004 season.*

Beach Lake, PA ([PRWEB](#)) March 5, 2004 -- The one of the premiere manufactures of car care products in the world, Duragloss, has signed to continue their sponsorship for the 2004 season.

Michael C. Morris, Driver commented. "Duragloss has always been a long term sponsor of my racing career. They have provided me with sponsorship and great car care products for our racecars. When you have as much invested in cars as we do, and have to have these cars looking pristine all of the time, Duragloss Car Care Products have out performed all of the other products."

William Bailey, of Duragloss Car Care Products commented "We are looking forward to this year's result and our continued sponsorship of the team for 2004."

Duragloss will provide funding and materials that the ACFC Racing team requires for the 2004 season to complete in SCCA's National Formula Atlantic class, EP Class, Honda Challenge and a Northeast Enduro Series.
