

Cimulus Signs Agreement with Clevite Engine Parts

Cimulus, Inc., has signed a contract with Clevite Engine Parts, a division of Dana Corporation. The agreement includes upgrading an existing product and order information system, used primarily by Clevite's sales force. This project is expected to be the first stage of an ongoing effort to consolidate internal applications.

([PRWEB](#)) March 6, 2004 --About Clevite Engine Parts

Clevite Engine Parts is part of Dana Corporation's Automotive Aftermarket Group. Clevite provides a wide scope of under-the-hood products for the global replacement parts market, including Clevite 77® engine bearings, Victor Reinz® gaskets, Perfect Circle® piston rings and Clevite® engine parts. In addition, Clevite 77, Victor Reinz and Perfect Circle are exclusive NASCAR Performance Products.
