CAYUGA, ONTARIO (July 19, 2016) The Joe's Transmission TNT Super Series returns to Toronto Motorsports Park this weekend July 23-24 for races 6 and 7 in the championship points chase. Presented by Kevin Orr Mechanical, this weekend kicks off the second half of the ten race TNTSS season.

Car counts have been strong this season with the average at 30.2 cars in the first five events. There were 27 cars earlier this year at TMP paying \$800 to the winner. Ted Barnes says to look for at least that many this weekend. "The series always pays \$1000/win at 30 cars or more!"

The points chase is as close as ever with current points leader Billy Ryan has a 22 point lead over Harry Phelps. Another 6 points back is Jim Thomson, then 21 more to Dave Gunn and another 6 back to Mark Herbold in fifth place. Only 55 points separates first and fifth. That equates to one good qualifying effort and a few rounds.

Joining the TNTSS is the Ultimate Showdowns Series and the Race Cayuga Sportsman Series, all part of the Haldimand Community Weekend. Gates open at 9am Friday, Saturday and Sunday with qualifying beginning at 11am on Saturday and Sunday. Visit www.torontomotorsportspark.com for complete information.

About the Joe's Transmission TNT Super Series (TNTSS):

Since it began in 2006, the TNT Super Series has grown into one of the strongest, most competitive sportsman drag racing series in North America and has catapulted many competitors to success on the national and divisional stages.

The TNTSS is a self-governing organization with input from its teams. Based on NHRA's Super Street & IHRA's Hot Rod classes, competitors run on a 10.90 index in the 1/4 mile (7.00 in the 1/8 mile) and race for a guaranteed purse that pays back more than 100% of the racer's entry fees. The yearend points fund provides cash & prizes to the top eight finishers and the Series Champion receives a prize package worth over \$4000.00.

The TNTSS is committed to providing the highest level of competition backed by solid media support to showcase its participants across North America. Events are contested at various drag racing facilities in southern Ontario and western New York and put on a spectacular show for the drag racing fan.
