

## **AMA Supermoto Brings More High-Energy Racing to Sturgis Buffalo Chip® Moto Stampede**

*The epicenter of rally racing, the Sturgis Buffalo Chip has added even more exciting racing action for 2017.*

Sturgis, SD ([PRWEB](#)) February 28, 2017 -- AMA Supermoto, a high-energy race hybrid, will bring [Sturgis Buffalo Chip®](#) campers face to face with the ultimate “through-the-streets” style racing on Friday, Aug. 11 and Saturday, Aug. 12. Spectators watching in both the amphitheater and at surrounding campsites will be able to get an up-close view of all the action as AMA Supermoto competitors take their battle through the Chip’s amphitheater and around some of the surrounding streets in the campground prior to the night’s concert performances as part of the Chip’s [Moto Stampede](#).

Supermoto, a sport that grew from the TV series “Superbikers,” is a cross-discipline event in which road racers, dirt trackers and moto crossers compete on a unique track that combines pavement and dirt built for jumps, high speeds and back-it-in sliding turn maneuvers.

“The AMA Supermoto racers will be blasting right through the campground,” said Rod Woodruff, President of the Sturgis Buffalo Chip. “The unique nature of the track will allow people to see the action up close and possibly without even leaving their campsite.”

### The Motorcycle Industry’s Most Concentrated Series of Events
