

Marquis Agency Transportation Practice Launches New Website

Marquis Agency Transportation Practice is pleased to announce the launch of its new website which will provide enhanced content and highlight the company's value-added services.

Woodbridge, New Jersey ([PRWEB](#)) May 07, 2017 -- Marquis Agency Transportation Practice, an insurance broker and risk manager specializing in transportation risks, announced the launch of its newly revamped website today. The newly redesigned website offers quick and easy access to essential information while highlighting the comprehensive value-added services offered to its clients and industry partners everyday.

“We are excited about our new website launch and the robust information it provides for our clients, patterns and media to better understand the breadth of solution we offer within the transportation and logistics industry,” stated Greg DerAsadourian, President. The new website goes live today and is located at:

www.marquisagencytransportation.com.

Marquis Transportation’s new website will be updated on a regular basis with trending news, business activity, corporate milestones, events, and more. Visitors are encouraged to explore the website and sign up for direct emails from the company at www.marquisagencytransportation.com/contact.
