For Immediate Release

Bridgework Scheduled for weekend of July 22; Lane and ramp closures planned

Albuquerque, NM—The New Mexico Department of Transportation (NMDOT) District Three and contractor, Truesdell Corp. will be continuing bridge maintenance work this weekend as noted below. Motorists should expect lane and ramp closures in the following areas:

***July 22 at 9 p.m. to July 25 at 5 a.m. (Friday to Monday)**

- Carlisle on-ramp to westbound I-40 closed.
- I-40 westbound bridge over University Boulevard (leading to NB I-25 on ramp) various lanes closed.
- I-40 westbound off-ramp to I-25 northbound on-ramp closed Friday - Saturday. **Will re-open Saturday night.**
- I-25 northbound bridge over Menaul Boulevard various lanes closed.

** Dates/times are subject to change weather permitting. No work will be permitted during regional celebrations.*

All bridgework is scheduled during weekends—off peak hours--throughout July and August, weather permitting. The epoxy overlay to be applied to the bridge surface is temperature sensitive and is heavily dependent on dry, stable conditions. Detours will be posted on digital message boards near the workzone.

For project-related traffic updates visit www.nmroads.com.

NMDOT District Three located in Albuquerque, NM routinely inspects and maintains approximately 650 bridges located within the District boundaries that include Bernalillo, Valencia and a portion of Sandoval County. The department also maintains and preserves the surface transportation system to include 3,168 lane miles of highway of which 79% is in urban areas.
