

Research and Markets : Company Profile of Dana Corporation 2005

Research and Markets (researchandmarkets.com/reports/c14270) has announced the addition of Dana Corporation: 2005 company profile edition 1 to their offering.

([PRWEB](http://www.prweb.com)) March 23, 2005 -- Research and Markets (<http://www.researchandmarkets.com/reports/c14270>) has announced the addition of Dana Corporation: 2005 company profile edition 1 to their offering.

Dana Corp is one of the world's largest independent suppliers of modules, systems and components for light, commercial and off-highway vehicles. Its products are used in passenger cars and vans, sports utility vehicles as well as light, medium and heavy trucks. Dana's continuing business activities are organised into three strategic business units (SBU) namely Automotive Systems Group (ASG), Heavy Vehicle Technologies and Systems Group (HVTSG) and Dana Credit Corporation (DCC). The current Automotive Systems Group resulted from the combination of the earlier SBUs of the then Automotive Systems Group and Engine and Fluid Management Group in March 2004. The name of the former SBU was retained for the new integrated business segment. In fiscal year 2004, the company posted full-year sales of US\$ 9,056 million, an increase of 14.4% over fiscal year 2003.
