

F&I Express® Adds ASC Warranty to its Growing Network of over 130 Aftermarket F&I Providers.

F&I Express® is pleased to welcome ASC Warranty to its growing network of aftermarket F&I providers.

Grapevine, TX ([PRWEB](#)) August 18, 2016 -- F&I Express® is pleased to welcome ASC Warranty to its growing network of aftermarket F&I providers.

Since 1986, Auto Services Company Inc. has provided dealers with vehicle protection plans for any vehicle in their inventory. From the industry's first "Factory Type" coverage to basic powertrain coverage, all plans have ZERO deductible, are transferable, include roadside assistance, and can be utilized anywhere in the United States.

Not only does ASC warranty have a quarter-century of experience and superior financial strength, but is also insured by American Bankers Insurance Company, an 'A'-rated, multi-billion dollar company recognized as a leader in the service agreement insurance industry.

"ASC pledges to provide the highest quality service with consistency and integrity. This business model directly aligns with the goals of F&I Express," said Brian Reed, President and CEO F&I Express. "ASC is reputable company and we are excited to have them as valued partner!"

F&I Express has the largest network of aftermarket providers in the industry. Their award winning digital solutions include eContracting, menu solutions, aftermarket cancellations and more. By moving product and pricing information online, the F&I Express software gives all parties the instant online data access they want with simplicity and transparency.

Terry Small, Director of Operations agree and is stating, "This partnership is game changing and we are excited about helping more dealerships with F&I Express eContracting!"

ABOUT F&I EXPRESS

Since 2008, F&I Express has been dedicated to leading the aftermarket industry into the digital age with innovative technology solutions. With digital solutions that cut costs and increases efficiency, F&I Express helps its dealer clients' CSI ratings by providing a faster and error-free process to eRate, eContract and eRegister all of their aftermarket products on one platform. Established by the international company Intersection Technologies Inc., F&I Express has a network of more than 110 aftermarket providers. By moving product and pricing information online, F&I Express provides all parties with instant online data access they want with simplicity and transparency.
