

F&I Express Welcomes Matrix Warranty Solutions to the Largest Aftermarket Product Provider Network in the Nation

F&I Express is pleased to welcome Matrix Warranty Solutions to the largest aftermarket product provider network in the nation.

Grapevine, TX ([PRWEB](#)) November 10, 2016 -- Matrix Warranty Solutions, a well-respected aftermarket service provider, prides themselves in providing customers with comprehensive protection, programs with added benefits and exclusive features along with affordable pricing.

All Matrix programs are backed from the first dollar by a contractual liability insurance policy issued by one of the most knowledgeable property casualty insurers in the industry rated "A-" Excellent by A.M. Best. This excellent rating shows the insurer meets its contract obligations and will provide that peace-of-mind customers deserve.

"We are excited to partner with F&I Express", said Dominic Sansone, President of Matrix Automotive. "Not only is F & I Express the winner of the 2016 Dealers Choice Awards, I am confident they will make it seamless for our agents and dealers to generate substantial income by marketing the Matrix suite of unique products. We are looking forward to a long term relationship with F&I Express."

F&I Express has the largest network of aftermarket providers in the industry. Their award winning digital solutions include eContracting, eSignature, Express Recoveries aftermarket cancellations and more. By moving product and pricing information online, the F&I Express software gives all parties the instant online data access they want with simplicity and transparency. Brian Reed, President and CEO of F&I Express, says, "I am impressed with this organization and honored to welcome them to our provider network."

ABOUT F&I EXPRESS

Since 2008, F&I Express has been dedicated to leading the aftermarket industry into the digital age with innovative technology solutions. With digital solutions that cut costs and increases efficiency, F&I Express helps its dealer clients' CSI ratings by providing a faster and error-free process to eRate, eContract and eRegister all of their aftermarket products on one platform. Established by the international company Intersection Technologies Inc., F&I Express has a network of more than 130 aftermarket providers. By moving product and pricing information online, F&I Express provides all parties with instant online data access they want with simplicity and transparency.
