

Dealerships Vote F&I Express as the Leader in F&I Technology for 2 Years Consecutively

F&I Express, the leader in F&I technology, announced the Dealers' Choice Awards Diamond win for the second year in a row.

GRAPEVINE, TX ([PRWEB](#)) May 26, 2017 -- F&I Express wins the prestigious "Dealer's Choice Award" from the publishers of Auto Dealer Today and F&I and Showroom magazines. This is the second year in a row F&I Express has won the first place Diamond Award in the F&I Technology category. The Dealer's Choice Award is based on results from a comprehensive online survey open exclusively to dealership professionals.

Offering digital integration with the largest aftermarket provider network, F&I Express helps dealers drive F&I sells, streamline the contracting process and improve CSI scores. The F&I Express eContracting platform seamlessly integrates with leading menu providers and dealer management systems (DMS) for compliant, error-free eContracting.

"We are honored and elated to win this award for the second straight year," said Brian Reed, CEO of F&I Express. "This award validates our ability to ensure the F&I process is simple, fast and profitable for dealerships across the nation. We would like to thank everyone who took the time to complete the voting process. Thanks for your vote, and most importantly, thanks for your business!"

Reed expects the F&I industry and its ecosystem partners will continue to embrace technology to streamline F&I processes in additional areas of business including the F&I product cancellation process.
