

F&I Express® Adds ServiceGuard Systems, Inc. to Its Growing Network of Over 140 Aftermarket F&I Providers

F&I Express® is pleased to welcome ServiceGuard Systems, Inc. to the largest aftermarket product provider network in the country.

Grapevine, TX ([PRWEB](#)) October 06, 2017 -- ServiceGuard offers and administers Extended Service Contracts, GAP products, Credit Life and Disability Insurance and other related products to the Automotive, Powersports, Trailer, Marine and RV industries.

The success and longevity of ServiceGuard are largely attributable to its philosophy of meeting the needs and demands of the industries it serves and then providing quality coverage at a fair price.

“By working with F&I Express, we enable our dealers to create contracts from all of their providers in one portal,” said Gary Pecherkiewicz, Director of Information Technology at ServiceGuard. “This speeds up the process in the F&I office and reduces mistakes caused by double entry. This is the solution the dealers have been looking for and we are pleased to be able to deliver it through integration.”

F&I Express has the largest network of aftermarket providers in the industry. Digital solutions from award-winning F&I Express include eContracting, eSignature, Express Recoveries aftermarket cancellations, and more. F&I Express streamlines the aftermarket process for optimized efficiency to make F&I easier and more profitable for everyone involved.

“F&I Express is excited about partnering with ServiceGuard in support of its XtremeGard Marine program,” said Brian Reed, CEO of F&I Express. “This partnership will make the process of rating, contracting and registering their products easier for their customers.”

ABOUT F&I EXPRESS

Since 2008, F&I Express has been dedicated to leading the aftermarket industry into the digital age with innovative technology solutions. With digital solutions that cut costs and increase efficiency, F&I Express helps its dealer clients' CSI ratings by providing a faster and error-free process to eRate, eContract and eRegister all of their aftermarket products on one platform. Established by the international company Intersection Technologies Inc., F&I Express has a network of more than 140 aftermarket providers. By moving product and pricing information online, F&I Express provides all parties with instant online data access they want with simplicity and transparency.
