

Optimal Vehicle-Exterior Protection Invented (DPH-193)

Pittsburgh-based InventHelp, a leading inventor service company, is submitting this client's idea, Master Guard Auto Cover, in the hopes of a good faith review.

PITTSBURGH ([PRWEB](#)) December 14, 2017 -- PITTSBURGH...A lot of people have to pay for expensive repairs after hail damages the exteriors of their vehicle, so an inventor from Aurora, Colo., decided to come up with a way to avoid this frustrating problem.

The MASTER GUARD AUTO COVER provides better protection for a vehicle exterior. It prevents scratches, dents and other damage caused by hail and other inclement weather. As a result, it avoids the need for expensive repairs, which saves money.

Ergonomic, easy to use and producible in different sizes and colors, the MASTER GUARD AUTO COVER is compatible with all vehicles.

The original design was submitted to the Denver office of InventHelp. It is currently available for licensing or sale to manufacturers or marketers. For more information, write Dept. 16-DPH-193, InventHelp, 217 Ninth Street, Pittsburgh, PA 15222, or call (412) 288-1300 ext. 1368.
