

CTC Transportation Insurance Services, LLC Announces Addition of A-Rated commercial automobile liability program

A-Rated, Countrywide Commercial Auto Liability Program for CTC Transportation

CARLSBAD, Calif. ([PRWEB](#)) February 20, 2018 -- [CTC Transportation Insurance Services](#), LLC, one of the largest transportation Managing General Underwriters in the country, is proud to introduce “DriveSafe”, an A-rated commercial automobile liability market. With the addition of an A-rated carrier, CTC will maintain its leadership in trucking insurance by offering flexible coverage and value-added services. The new program is available exclusively to appointed retail agents through CTC Transportation Insurance Services, LLC.

Designed with safe driving in mind, DriveSafe vehicles will be equipped with front-facing cameras and data reporting through the vehicle’s electronic log device (ELD). Owner and CEO of CTC Transportation, Thomas A. Mulligan, states: “I couldn’t be happier to be introducing this exciting new program. The marketplace is looking for innovative programs for the transportation space and we have stepped up to provide a solution that will help change the industry.” He continued: “Adding to our automobile liability product offering gives us the flexibility to write an even wider range of transportation accounts.”

DriveSafe is designed for owner operator, small fleet and fleet motor carriers (for hire or private carriers) of non-hazardous property operating within the continental U.S. ISO Symbol 67 (Named Vehicles) will be used to provide coverage. Automobile liability limits up to \$1,000,000 are available; required filings can be issued. Vehicles can operate with an unlimited radius of operation.

CTC is a Managing General Underwriter with headquarters in Carlsbad, CA. It currently employs 125 people in 10 offices, the largest of which are in Butler, MO and Omaha, NE. Specializing in the transportation industry since its inception, CTC wrote its first policy in Q2 of 2012, and retains many of those early policyholders to this day. CTC has been a Lloyd’s tribunalized coverholder since 2014.
