

## **Complete Auto Loans Releases New Credit Score Tool That Provides Instant Credit Reports**

*Getting a credit score check is now possible through Complete Auto Loans. CAL is offering car shoppers a great way to get a Credit Score check while getting an instant credit report.*

Seattle, WA ([PRWEB](#)) January 13, 2013 -- Getting financing for a car is difficult with bad credit history. Not only does Complete Auto Loans offer their bad credit auto loans solution to car shoppers but now they are releasing their new free credit score tool to help consumers know exactly where they stand with their credit history. Car shoppers can even get their instant credit report for \$1 at a 7 day no obligation risk, so the offering is quite compelling for consumers who need to know where they stand before they seek an auto loan. Auto Lenders make it difficult to get a loan if one does not have a very good credit history. Getting a free credit score will help car shoppers make the decision of whether they should apply for a bad credit auto loan or if they should seek credit repair help through a professional firm. Credit repair is a fantastic way for consumers to fix their bad credit history.

Complete Auto Loans is excited about offering consumers this new help so they can more easily attain the Auto Loan they need. Knowing one's credit score will make a huge impact on the interest rate one will be able to attain when seeking out a bad credit auto loan. In the long run it's cheaper to know where one stands with their credit history so that they can seek to improve their positioning to future lenders. [Get a bad credit auto loan here](#)

Whether a consumer is looking to buy a house, a car, or a home appliance, knowing one's credit score can save a lot of money through lowering loan interest rates.
