LONG BEACH, Calif. ([PRWEB](#)) August 29, 2018 -- SkyLab Solutions, an innovative provider of [GPS fleet tracking](#), was named the winner of a Bronze Stevie® Award in the Product or Service of the Year - Transportation category in The 15th Annual International Business Awards®.

The International Business Awards are the world's premier business awards program. All individuals and organizations worldwide – public and private, for-profit and non-profit, large and small - are eligible to submit nominations. The 2018 IBAs received entries from 74 nations and territories.

Nicknamed the Stevies for the Greek word for “crowned,” the awards will be presented to winners at a gala awards banquet at the InterContinental London Park Lane Hotel in London, England on the 20th of October.

More than 3,900 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, including Company of the Year, Marketing Campaign of the Year, Best New Product or Service of the Year, Startup of the Year, Corporate Social Responsibility Program of the Year, and Executive of the Year, among others. SkyLab Solutions won in the Product or Service of the Year category for Transportation, entering its [best-in-class fleet tracking](#) application.

SkyLab Solutions entered the market with an ambitious goal – make the easiest & most affordable fleet tracking solution, allowing service and trucking companies to operate as efficiently as possible, and succeed in a competitive marketplace. “With an executive team with deep understanding of the marketplace and a combined 60 years of industry experience, we have created a solution that is easier-to-use, more accessible and less expensive than comparable products on the market. Our amazing growth is a validation of our product and we are on pace to accomplish our goal of setting a new highwater benchmark for NPS in the ELD & GPS market,” said Alexander Mee, CEO of SkyLab Solutions.

Stevie Award winners were determined by the average scores of more than 270 executives worldwide who participated on 12 juries.
