

Matt Castrucci Mazda Puts 2019 Mazda CX-5 Up Against The Competition

To help current and prospective customers with model research, local dealership has put together a model comparison page featuring two SUVs.

DAYTON, Ohio ([PRWEB](#)) January 05, 2019 -- As part of the dealership's commitment to providing customers with necessary shopping tools, Matt Castrucci Mazda has published a page that compares the 2019 Mazda CX-5 to the 2019 Chevy Trax. Model research is something that Matt Castrucci Mazda encourages all of its customers to participate in because it allows them to be well-informed about their pending purchase.

This particular model comparison page can be found on the dealer's website's main toolbar. Under the New Mazda tab, there is a link to "Mazda vs. Competitors," where savvy shoppers will find the page comparing the [2019 Mazda CX-5 and the 2019 Chevy Trax](#).

The user-friendly page features a brief introduction and a detailed table that compares engine power, interior features and cargo space. The 2019 Mazda CX-5 comes with up to 250 horsepower while the Chevy Trax only features 138 horsepower. The Mazda CX-5 comes available with integrated navigation and satellite radio, two features that are unavailable on the Trax. The Mazda CX-5 also contains significantly more interior space. Drivers of the Mazda CX-5 can utilize up to 59.6 cubic feet of cargo room compared to 48.4 cubic feet in the Chevy Trax.

Customers who would like to learn more about model research tactics are encouraged to contact Matt Castrucci Mazda. The dealer can be reached over the phone at 855-299-1814. Matt Castrucci Mazda is located at 3013 Mall Park Drive in Dayton, Ohio.
