

TVT Community Day School and Adopt A Highway Maintenance Corporation® Are Keeping California's Highways Litter-Free

TVT Community Day School has decided to sponsor a highway in the California Adopt A Highway® Program. Each sponsored sign supports highway litter-removal efforts, designed to keep California's roadways safe and clean for the entire Irvine community to enjoy.

IRVINE, Calif. ([PRWEB](#)) January 05, 2019 -- As a school that molds young minds, Jeffrey Davis believes it is in the best interest of the children to lead by example. Becoming a sponsor in California Adopt A Highway® Program shows not only the students but the entire Irvine community how important it is to give back.

As Director of Enrollment Management, Bryonna Fisco stated, “With the hope of enhancing our community, TVT Community Day School joined the Adopt A Highway® Program, allowing us to put to good use one of our core character values, Tikkun Olam (repair the world locally and globally). AT TVT, Academics are Important, and Character is Paramount.”

Giving back to the community in the form of sponsoring a highway will create a catalyst reaction, thus sparking change in other schools and businesses in the area to be more philanthropic. Through the act of becoming a sponsor in the California Adopt A Highway® Program, TVT is leading the way to a more sustainable and environmentally-friendly city.

TVT Community Day School offers an exceptional college preparatory education that is rooted in Jewish values. With ACT scores amongst the highest in Orange County, along with recognition by the U.S. Department of Education as a National Blue-Ribbon School of Excellence— it is no surprise that the 2018 Niche Rankings named TVT Community Day School the #1 Best Jewish School in California.
