

Express Plumbing and Adopt A Highway Maintenance Corporation® Are Keeping California's Highways Litter-Free

In a continued effort to keep the roads of San Mateo clean, Express Plumbing has increased their sponsorship in the California Adopt A Highway® Program. Each sponsor sign supports highway litter-removal and maintenance to keep California's roadways safe and beautiful!

SAN MATEO, Calif. ([PRWEB](#)) January 05, 2019 -- Participating in the Adopt A Highway® Program allows businesses the opportunity to give back to the community and the environment. Having already been a sponsor in California Adopt A Highway® Program for over a year, their decision to increase Express Plumbing's sponsorship to a total of three signs is something to be praised.

As Nicole Hanna, Chief Financial Officer, stated, "Express Plumbing is a family owned business operating in the Bay Area since 1989. We are very involved in helping and supporting our community, and we care about keeping our highways clean and beautiful."

By increasing their sponsorship commitment, Express Plumbing is conveying to the community their desire to ensure safe travel for everyone in the Northern California area. Generous sponsors like Express Plumbing allow programs such as Adopt A Highway® to expand their highway cleanup efforts, thus ensuring highways remain litter-free and safe for everyone to enjoy.

Express Plumbing is an incorporated civil engineering company. They opened for business in 1989 specifically to address the needs of owners and engineers faced with multiple light and heavy engineering projects. Express Plumbing handles everything from municipal, residential, and commercial jobs. The entire team prides themselves on their commitment to offering their customers a finished product in a timely manner.
