

## **Western International Securities, Inc and Adopt A Highway Maintenance Corporation® Are Keeping California's Highways Litter-Free**

*Western International Securities, Inc. has joined the California Sponsor A Highway® Program. Each sponsored sign promotes highway litter-removal efforts to keep highways clean and safe in California.*

PASADENA, Calif. ([PRWEB](#)) January 05, 2019 -- In an industry that lacks a personalized approach, Western International makes it a company goal to tailor their advice to the unique needs of each company they serve. As a business that cares for others, they felt it was an excellent opportunity to join forces with Adopt A Highway Maintenance Corporation®.

Andrew Kuo, Managing Director, stated, “A grounding component at Western is to give back to our people and community. We’ve been fortunate to be in a position where we can help give back to the environment and to communities where we work and live. This includes financial support to programs close to the hearts of our own team members that advocate for and assist veterans, those with special needs, women, children, animals, spiritual and research communities. We’re appreciative to Adopt a Highway® for the opportunity to assist in keeping our community looking clean and prestigious.”

Sponsoring two segments of highway in the California Sponsor A Highway® Program shows Western International Securities, Inc.’s desire to keep the drivers in Pasadena safe from dangerous roadway obstructions. Maintaining clean roads not only improves highway safety, but it also provides significant benefits to the environment by enhancing sustainability efforts as well.

Western International Securities, Inc. was founded in 1995 with the goal of offering their clients financial advisement while providing a personal touch to the process. Their team is passionate about helping their clients reach commercial success.
