Traffic Advisory

NM 502 -Lane Closures To Begin July 30 Otowi Bridge Rehabilitation Work

Santa Fe - The New Mexico Department of Transportation (NMDOT) will begin bridge rehabilitation work on NM 502 at mile marker 11.00 at the Otowi Bridge between Pojoaque and Los Alamos.

Starting Monday July 30th – NM 502 eastbound and westbound lanes will be reduced to one lane. There will be a concrete wall barrier through the work zone. This project is scheduled to be completed end of September 2018. Motorists can expect delays during this time.

Hasse Contracting Company, Inc. of Albuquerque, New Mexico is the contractor for the project. NMDOT thanks you for your patience during this bridge improvement project.

Drivers are urged to watch for workers in the area, observe traffic control signs and reduce speed to the posted speed limit. Updates on this project will be posted on the New Mexico Department of Transportation's road advisory website, <http://nmroads.com/>.
