Press Release

N.M. 200 Bridge Work Begins in Eddy County

Carlsbad – The New Mexico Department of Transportation (NMDOT) will make repairs and upgrades to two bridges along N.M. 200 in Eddy County. The work will include resealing concrete pavement joints, epoxy deck overlay, repair abutments, permanent striping, traffic control, and other miscellaneous construction.

Work is expected to begin Monday, July 30th and be complete by winter, weather permitting. Single lane closures, will be in place during the duration of the project. Work will take place Monday thru Friday, 7:00 a.m. to 5:00 p.m.

For up-to-date road closure information throughout the state, visit nmroads.com or call 511.
