State Road NM 118 Full Closure

(Near the Arizona/New Mexico border)

The New Mexico Department of Transportation alerts all motorists that NM 118 near the Arizona/New Mexico border is indefinitely closed in both directions from mile post 4 to mile post 5 (Manuelito). The closure is due to two large boulders that have fallen into the roadway, one measuring approximately 8' X 12'. There are no injuries involved with this incident, and NMDOT crews are working on removing the boulders and making repairs to the roadway. Motorists are encouraged to use I-40 as an alternate route. Message boards will be activated and updates will be made to www.NMROADS.com.
