Press Release

US 54 & US 70 guardrail installation starts this summer

Otero/Lincoln County – The New Mexico Department of Transportation will install and upgrade guardrail on US 54 from mile marker 56 to 63 (Otero County) and US 70 from mile marker 288 to 300 (Lincoln County).

This safety improvement project will take a year to complete. The work will require single-lane closures under flag control. Drivers are advised to pay attention and watch for construction personnel while work is taking place.

For up-to-date road information throughout the state, visit nmroads.com or call 511.
