

Jaguar Boerne Offers Up To \$10,000 in Incentives for 2018 Jaguar Models

Arrival of 2020 Jaguar models means discounts on remaining 2018 Jaguar vehicles

BOERNE, Texas ([PRWEB](#)) October 14, 2019 -- With the arrival of the [2020 Jaguar F-PACE](#), the next-generation [2020 Jaguar XE](#), the 2020 Jaguar E-PACE and more models, budget-minded car shoppers who choose Jaguar Boerne can save on past model years. Jaguar Boerne a member of the Barrett Automotive family offers up to \$10,000 in incentives toward remaining [2018 models in stock at the dealership](#). These dealership-specific incentives are only available while supplies last.

The 2018 Jaguar models that are still available at Jaguar Boerne include the 2018 Jaguar XE compact sedan, the 2018 Jaguar XF midsize sedan, the 2018 Jaguar E-PACE subcompact crossover and the 2018 Jaguar F-PACE compact crossover. Each model is priced individually and with dealership incentives, prices are as much as \$10,000 lower than the Manufacturer's Suggested Retail Price. To get more details, interested car shoppers can contact a dealership sales representative.

An impressive entry in the compact luxury sedan class, the 2018 Jaguar XE is available in six grades – XE, Premium, Prestige, R-Sport, S and Portfolio - with four engine options, available all-wheel drive and an eight-speed automatic transmission. A step up to the 2018 Jaguar XF will provide drivers with six trim levels – XF, Premium, Prestige, R-Sport, Portfolio and S – with sedan and XF Sportbrake wagon options. The 2018 Jaguar F-PACE is an award-winning luxury crossover with room for five passengers and 33.5 cubic feet of cargo space with a half-a-dozen trim levels to choose from and five engine options. A new addition to the Jaguar lineup in 2018, the Jaguar E-PACE makes room for five with four grades – E-PACE, S, SE and HSE – and a pair of powertrains.
