

## **Akins Ford celebrates New Year's with models from the 2020 Ford commercial vehicle lineup**

*Atlanta-area drivers find profound capability with new commercial vehicles.*

WINDER, Ga. ([PRWEB](#)) December 31, 2019 -- As minds bustle with thoughts of New Year's resolutions and what's to come for 2020, Akins Ford sets its sights on productivity with a full selection of the newest models from the Ford commercial vehicle lineup now available on site.

Atlanta-area vehicle shoppers interested in the 2020 Ford Super Duty series can now find entries from the F-250, F-350, F-450 and F-550 lineups on the Akins Ford lot. Refreshed for 2020, the Super Duty gains a class-exclusive Pro Trailer Backup Assist system, which makes the task of maneuvering even the largest trailers simple and straight forward. An all-new 7.3-liter, V-8 also joins the engine roster with best-in-class ratings of 430 horsepower and 475 pound-feet of torque.

America's best-selling compact van, the Transit Connect Cargo Van is a great fit for city-based applications where a nimble and fuel-efficient build is desirable. Now included on all Transit Connect models, pre-collision assist with automatic emergency braking and pedestrian detection helps protect crew and equipment by automatically applying the brakes when the risk of a frontal collision is high.

For more serious cargo-moving applications, the Transit Cargo Van meets the challenge with six available size configurations and up to 487.2 cubic feet of cargo volume. The Transit leads its respective segment in driver-assistance features with standard pre-collision assist with automatic emergency braking and pedestrian detection, forward collision warning, post-collision braking, a lane-keep assist and auto high-beam headlamps.

Vehicle shoppers interested in the 2020 Ford commercial vehicle lineup can schedule a test drive or find more model details online at [www.akinsford.com](http://www.akinsford.com). Interested parties can also connect with an Akins Ford sales representative via phone by calling 770-867-9136 or in person by visiting the dealership at 220 West May St., Winder, GA.
