

Continental Motors of Countryside Lists Several Job Openings for Qualified Candidates

Interested individuals encouraged to apply through the “Careers” section of the Continental Honda website.

COUNTRYSIDE, Ill. ([PRWEB](#)) December 31, 2019 -- The Continental Motors family of car dealerships, which includes the Honda-focused Continental Honda, is currently offering several job opportunities for interested individuals. Listed on the [Continental Motors Careers page](#), recent open positions have included roles such as Lube Technician, Service Advisor, Sales Associate, Express Service Advisor and Part-Time Cashier/Receptionist.

Benefits included with employment at Continental Motors include a medical plan, dental plan, vision plan, 401(k) savings and basic life insurance. The dealership advertises that it grants employees a healthy work/life balance, along with opportunities for advancement. Employees are also provided with ways to develop their abilities, including a virtual academy and skill development plan.

Continental Motors is one of the Chicago region’s top dealership groups, having served the area for nearly sixty years. It prides itself on providing a positive working environment and culture. Continental Motors states its goal as that of making its employees happy, as the dealership believes this leads to more satisfied customers and better business.

Continental Motors came into being in 1961 in the form of a foreign car repair shop. The value placed on hard work and their commitment to honesty helped their positive reputation to grow.

Today, the Continental Motors group is comprised of eight retail locations, employing over 700 individuals. It is consistently ranked among the top 150 dealership groups by Automotive News.

Those interested in a career at Continental Motors are encouraged to head to the Continental Honda website (www.continentalhonda.com) and click the “Careers” icon along the top of the page. Interested individuals are also welcome to give a call to 708-340-6350, or head straight to the Continental Honda location at 5901 S. La Grange Road, Countryside.
