

Folsom Lake Volkswagen is Currently Promoting its Volkswagen Drive Easy Tire and Wheel Protection Plan

Drivers can find coverage for their vehicle wheels and tires at Folsom Lake Volkswagen

FOLSOM, Calif. ([PRWEB](#)) January 07, 2020 -- Folsom Lake Volkswagen is a local Folsom dealership that sells new Volkswagen vehicles and used vehicles of multiple makes. Plus, they offer vehicle services and a comprehensive list of Volkswagen insurance plans. Currently, Folsom Lake Volkswagen is promoting its [Volkswagen Drive Easy Tire and Wheel Protection plan](#) to drivers in the Folsom area.

Tire and Wheel Protection benefits include the repair or replacement of tires that are structurally damaged due to covered road hazards, replacement of wheels that are damaged by a road hazard and prevent the tire from maintaining the manufacturer's recommended air pressure, reimbursement of towing expenses up to \$100 per time during covered road hazards and other approved costs and replacements. Drivers may also purchase optional Cosmetic Coverage in addition to their Tire and Wheel Protection plan. This extra coverage will cover the cost of cosmetic repairs for wheels and tires.

[Volkswagen Drive Easy protection plans](#) are both transferrable for a \$50 fee to a new vehicle owner and cancelable for a \$50 fee at any time after 30 days. For this particular protection plan, there are no mileage limitations, no deductible and no limit to the number of structural damage claims by one driver.

Drivers who are interested in viewing a full list of Volkswagen Drive Easy protection plans may do so on the dealership's website, folsomlakevw.com. On the dealership's website, there is information about nine Volkswagen Drive Easy protection plans, including CPO (Certified Pre-Owned) Vehicle Service Protection, Term Protection and Vehicle Service Protection.
