VENTURA, Calif.; ([PRWEB](#)) January 07, 2020 -- Ventura Volkswagen is a dealership in Ventura that specializes in the sale and care of new Volkswagen vehicles, as well as the sale of pre-owned vehicles of multiple makes and models. The dealership also offers vehicle maintenance. Currently, Ventura Volkswagen is promoting its [Volkswagen Care Prepaid Scheduled Maintenance Plans](#) to drivers in the Ventura area.

What is a Volkswagen Care Prepaid Scheduled Maintenance Plan? There are several prepaid scheduled maintenance plans to choose from with the Volkswagen Care Program, depending on the model year of your vehicle. The options include Volkswagen Care Basic, Volkswagen Care Extra and Volkswagen Care Package 1 through Package 5.

Volkswagen Care Basic is a plan that can be purchased for vehicles that fall in or between the 2016 and 2019 model years. This plan provides 10,000-mile and 20,000-mile manufacturer-recommended scheduled maintenance, which you can find more information on in your USA Warranty and Maintenance booklet.

Volkswagen Care Extra is a plan that can be purchased for vehicles that fall in the 2014 model year or any newer model year. This plan provides the 30,000-mile manufacturer-recommended scheduled maintenance.

Lastly, there are the Volkswagen Care Packages 1-5, which can also be purchased for the model year 2014 vehicles and newer vehicles, excluding the Volkswagen Routan. Volkswagen Care Package 1 covers the 30,000 and 40,000-mile manufacturer-recommended scheduled maintenance, Volkswagen Care Package 2 covers the 40,000 and 50,000-mile manufacturer-recommended scheduled maintenance, Volkswagen Care Package 3 covers the 50,000 and 60,000-mile manufacturer-recommended scheduled maintenance, Volkswagen Care Package 4 covers the 60,000 and 70,000-mile manufacturer-recommended scheduled maintenance and Volkswagen Care Package 5 covers the 70,000 and 80,000-mile manufacturer-recommended scheduled maintenance.
