

North Shore Holdings, LLC Acquires Safety Seal

North Shore Holdings, LLC has completed acquisition of Safety Seal, maker of tire repair products, including the [Original Safety Seal](#) plugs.

FARGO, N.D. ([PRWEB](#)) January 08, 2020 -- North Shore Holdings, LLC, is excited to announce the acquisition of Safety Seal. This acquisition allows the 50+ year legacy of Safety Seal to continue for years to come.

The acquisition provides North Shore Holdings with a long trusted product line with which to enter the tire repair industry. Since 1964, Safety Seal has manufactured and distributed the worlds best selling line of tire repair products including plugs, sealer, lube and application tools. North Shore Holdings will maintain Safety Seals tradition of excellent customer service to existing and new customers while ensuring the product provides the same functionality and reliability that thousands of tire shops across the country have come to depend on. To ensure continuity for customers, North Shore Holdings will retain Safety Seals existing contact information, website and phone lines.

“North Shore Holdings is thrilled with the opportunity to continue the long history of Safety Seal,” said Tom Bolgrean, President of North Shore Holdings. “A lot of shops rely on the Safety Seal line of products and we will ensure they can continue to rely on them for many years to come. Our association with Branick Industries, a manufacturer of automotive tools and equipment for over 100 years, provides an increased customer base in addition to the existing network.”

Production of the Original Safety Seal product is expected to begin in the first quarter of 2020.
