

The Stylish 2020 Nissan Sentra Compact Sedan is Now Available at Boucher Nissan of Greenfield

The 2020 Sentra has an athletic design, pleasing driving dynamics and many advanced technologies

GREENFIELD, Wis. ([PRWEB](#)) January 10, 2020 -- Automotive shoppers in Southeastern Wisconsin have a plethora of choices for the compact sedan segment, but a standout model is the [2020 Nissan Sentra](#) at Boucher Nissan of Greenfield, a dealership with a reputation for exceptional customer service. With its athletic styling, advanced technologies, superb driving dynamics, high-level safety and a wide array of premium amenities, the 2020 Sentra provides a very pleasing driving experience.

All 2020 Sentra models come equipped with a 2.0-liter DOHC 4-cylinder engine, which generates 149 horsepower and 146 pound-feet of torque for quick acceleration. The peppy engine is paired with the smooth-shifting Xtronic transmission. With the McPherson strut front suspension and independent rear suspension, the Sentra provides excellent handling and a smooth ride. Precise and responsive steering comes courtesy of the dual pinion rack electric power steering system.

The 2020 Sentra has an eye-catching look. Notable design elements include a low and wide stance, the signature V-motion grille, a floating roof and thin LED headlights. The sporty Sentra SR grade has diamond-cut aluminum-alloy wheels, black painted side mirrors and a sport-style rear bumper.

Nissan infused the Sentra with many advanced technologies. On the multimedia/connectivity front, this includes a digital multi-information driver's display, the NissanConnect infotainment system with a color touchscreen, Apple CarPlay and Android Auto smartphone integration, voice recognition, Bluetooth wireless and the Hands-Free Text Messaging Assistant. The Sentra also offers many driving assistance technologies. This includes Blind Spot Warning, Automatic Emergency Braking, High Beam Assist, Lane Departure Warning, Rear Cross Traffic Alert and Rear Automatic Braking.
