

Southern California Car Club Preparing for a Frightening Halloween Weekend

Immortals Car Club Presents the Ultimate Halloween Cruise, Saturday October 30th through Angeles National Forest in the Castaic Lake area. Costumes for both the people and the cars are encouraged.

([PRWEB](#)) October 7, 2004 -- While most California residents hand out candy to the trick or treaters or spend time with friends at a Halloween party, Immortals Car Club will be doing something a bit more intense. They will be putting on a Halloween Car Cruise through the beautiful Angeles National Forest.

“We decided to do something wild and exciting for Halloween weekend! Instead of just passing out candy and watching scary movies, Immortals Car Club is going to put on the Ultimate Halloween Cruise! Costumes are optional, but encouraged”, states Brett Schoneman, co-founder and promoter of Immortals Car Club www.ImmortalsCarClub.com, a free car club open to all high performance cars and trucks. “All it takes is one cruise and you are addicted for life!”

The Ultimate Halloween Cruise is free for anyone that wants to watch or drive in the event. Cameras and camcorders are also encouraged and Immortals will post up all the pictures and video clips beginning the next day. The only requirement for drivers is that you drive a sports car.

The Ultimate Halloween Cruise takes place on Saturday, October 30th, 2004. People will begin meeting at 9am and the cruise begins at 11am sharp. Immortals recommends showing up by 10am to give everyone a chance to fill up their tanks, get stocked on supplies, see all the vehicles and relax before the excitement begins.

Immortals plans on ending the cruise at a place called the Greens in Valencia where everyone can miniature golf, watch a live rock band, relax by the fire pits and have dinner. Like all events Immortals Car Club puts together, everyone has a great time and can come and go as they please in a relaxing and friendly atmosphere.

The starting location will be at the Popeye's and Pilot Travel Centers Truck stop just off the 5 Freeway at Lake Hughes Exit at Castaic Lake, California.
