

PriceAdvantage Selected as Strategic Fuel Pricing Tool to Support Yesway's Rapid Growth

Fuel Pricing Software's Ability to Integrate with Multiple POS Systems and Rapid Implementation Allow Yesway to Quickly Onboard New Stores

Colorado Springs, Colo. ([PRWEB](#)) August 18, 2016 -- [PriceAdvantage](#), a fuel price management software company and division of Skyline Products, announced today that Yesway, an affiliate of Brookwood Financial Partners LLC, will utilize PriceAdvantage software to streamline and automate store-specific fuel pricing strategies for their portfolio of convenience stores .

“Yesway recognizes that in order to launch a competitive brand they need to be strategic about how quickly and accurately they price fuel,” shared Chip Stadjuhar, President and CEO of Skyline Products. “PriceAdvantage will allow Yesway to quickly onboard new stores and centralize their fuel pricing strategy – supporting their desire to quickly improve fuel margins and volumes.”

Yesway selected PriceAdvantage based on the software's ability to easily integrate with multiple point-of-sale systems, rapid implementation, robust reporting, ease of use, and the ability to change fuel prices remotely using a mobile device. These, along with other robust features and pre-built integrations, will play a critical role in helping Yesway successfully execute their plan to acquire 600-1,000 convenience stores over the next several years.

“PriceAdvantage will allow us to execute easily a strategic pricing strategy for each store and commodity and will also provide critical real-time performance reports,” shared Brian Trout, Yesway's Senior Vice President of Operations. “We will be able to correlate in-store sales to fuel sales and adjust our strategy accordingly. Ultimately, PriceAdvantage will help us provide a strong ROI to our investors.”

About PriceAdvantage

PriceAdvantage creates Software to Fuel Your Pricing Strategy™. Our easy-to-use, highly configurable, patented solution allows fuel marketers to execute their unique fuel pricing strategy faster and more accurately by reducing manual processes and human errors. PriceAdvantage enables customers to make rapid, informed fuel pricing decisions based on their unique business rules, then automatically post new prices to their POS systems, fuel pumps and price signs, and then receive price change confirmation – all in just minutes. PriceAdvantage is singularly focused on fuel pricing software and is a division of a privately held U.S. company, Skyline Products, which produces software solutions and thousands of American-made electronic price and transportation signs annually.
