

Sharper Edge Engines Wins Second Consecutive USCA Award for Best Used & Rebuilt Auto Parts & Supplies

Sharper Edge Engines LLC enjoys an A+ rating with the Better Business Bureau (BBB), and has earned numerous 5-star reviews from satisfied customers across the country. The company prides itself on providing customers nationwide with quality used engines that are fully tested and guaranteed.

([PRWEB](#)) September 19, 2016 -- [Sharper Edge Engines LLC](#), one of the nation's premiere sources for used engines, remanufactured engines, rebuilt engines, and used transmissions, proudly announced today that for the second year running the company has won the U.S. Commerce Association's (USCA) "Best Used & Rebuilt Auto Parts & Supplies" award for Jacksonville, Florida.

The USCA's Award Program recognizes exceptional businesses across the nation that stand out for their entrepreneurial and marketing skills, strong commitment to customer service, and community involvement. Awards are granted in multiple categories.

"Since launching Sharper Edge Engines, we have always cared deeply about treating our customers right, and always being honest and fair in everything we do," commented Jack Brower, who co-owns the thriving family business with his wife, Yalda. "We are also very proud of our associates who are a big reason for winning this award. They take great care of our customers, and reflect the high standards of integrity that our company is known for."

Sharper Edge Engines enjoys an A+ rating with the Better Business Bureau (BBB) <http://www.bbb.org/north-east-florida/business-reviews/engines-supplies-equipment-and-parts/sharper-edge-engines-llc-in-jacksonville-fl-152412866>, and has earned numerous 5-star reviews from satisfied customers across the country. The company prides itself on providing customers nationwide with quality used engines that are fully tested and guaranteed.

Added Yalda: "We have found that many ecommerce used engine companies behave unethically, and some outright lie about mileage and ship out the cheapest engine they can find. We do things completely differently. We treat each customer as if they were a member of our family. We would rather lose a sale than cut corners or compromise on quality or safety. Our motto at Sharper Edge Engines is that if we cannot somehow help a customer, then we will never harm them!"
