

## **Used Engine Leader Auto Part Max LLC Now Offering 24/7 Email Support & Quotes**

*The extended email support is ideal for customers who need advice, have questions, or need clarification on Auto Part Max's inventory that contains more than 10,000 interior and exterior replacement auto parts for dozens of domestic and import makes, years and models.*

([PRWEB](#)) April 27, 2017 -- Auto Part Max LLC (formerly Sharper Edge Engines LLC), one of the nation's largest online sources of used engines, remanufactured engines, rebuilt engines, used transmissions and replacement auto parts, announced today that it is now offering email support and quotes 24 hours a day, 7 days a week.

The extended email support is ideal for customers who need advice, have questions, or need clarification on Auto Part Max's inventory that contains more than 10,000 interior and exterior replacement auto parts for dozens of domestic and import makes, years and models.

At the same time, customers are welcome to call Auto Part Max toll-free at (866) 651-2992 during regular business hours Monday through Friday, and speak to a trained and friendly support representative. Customers can also choose to speak to the same representative on subsequent calls, which makes their experience easier and more efficient.

Commented Jack Brower, co-owner of Auto Part Max: "Providing outstanding end-to-end support before, during and after purchases has always been a top priority for us. Extending our email support so that it's available all day and every day, is another way we're demonstrating that we're not just a vendor, but a partner who really cares. That's why so many of our loyal customers have purchased from us many times over the years, and an overwhelming number of new customers come to us through word-of-mouth referrals from their friends, family members, colleagues, and from reading our testimonials and reviews."

### **About Auto Parts Max LLC**

Auto Parts Max LLC (formerly Sharper Edge Engines LLC) is one of the nation's premiere sources for used engines, re manufactured engines, rebuilt engines, and used transmissions, as well as more than 10,000 interior and exterior replacement parts for dozens of domestic and import makes, years and models.
