

## **California's Fall Foliage Scenery Encourages Road Trips, Notes Van Rental Center**

*Commenting on a recent article, Van Rental Center notes that California's autumnal colors can be enjoyed and explored with a van trip.*

Los Angeles, CA ([PRWEB](#)) October 06, 2016 -- According to a September 10 [article](#) on KCET, there are several different ways to experience autumn foliage in sunny California. Los Angeles based rental agency Van Rental Center notes that autumn lovers can explore and immerse themselves in California's hard-to-find, but nevertheless gorgeous, fall foliage with a delightful road trip by van. The van rental agency goes on to note that relying on a premier rental agency for their travels can provide nature lovers with a variety of perks, such as:

**More Room for Passengers** - Van Rental Center notes that road trips and adventures are a lot more enjoyable with a larger group of people. Renting a reliable and fully functional multi-passenger van, such as a Ford E-350 or [Chevy Express](#), allows travelers to make road trip arrangements with larger groups in a spacious and comfortable vehicle. The Los Angeles based rental van agency goes on to note that during any season, adventurers can enjoy California's beautiful scenery with more of their friends and relatives with the help of a multi-passenger van.

**Better Options** - Planning for a road trip becomes a lot easier when travelers have more options that accommodate their specific needs. Van Rental Center notes that renting a wheelchair accessible van gives more freedom and comfort to adventurers and their friends and family who utilize wheelchairs. In this case, the rental van agency notes, road trips become a more inclusive and engaging experience for all.

**Convenience** - The Los Angeles based van rental agency notes that, in addition to a more comfortable and inclusive road trip experience, renting a van is simply more convenient. Adventure lovers can pick up or drop off their rental vans at whichever rental location is closest to their starting point or destination. Van Rental Center goes on to note that travelers should spend more time enjoying the many sights of their road trip excursions, rather than worrying over lengthy detours related to distant van rental locations.

Van Rental Center concludes by noting that for several years, their Los Angeles based van rental agency has been the preferred choice for many road trip enthusiasts. Their team of highly knowledgeable and extremely helpful customer service representatives is available to answer questions or address any concerns regarding their van rentals. Interested readers who would like to browse through Van Rental Center's extremely reliable fleet of vans or learn about their several locations are encouraged to call the van rental company at (310) 568-8230 or visit their website at [www.VanRentalCenter.com](http://www.VanRentalCenter.com).
