

New Mexico DEPARTMENT OF
TRANSPORTATION

Michelle Lujan Grisham, Governor
Michael R. Sandoval, *Cabinet Secretary*

FOR IMMEDIATE RELEASE

August 14, 2020

Restriping on Tramway (NM 556)

ALBUQUERQUE – The New Mexico Department of Transportation would like to inform the traveling public that restriping of the roadway is taking place on Tramway Blvd (NM 556) from Central Ave to Tramway Lane. All northbound and southbound acceleration lanes have been removed from intersections along Tramway, and have been replaced with bicycle facilities. Striping is ongoing at this time and crews are currently working on the crosswalks. Striping and signing efforts will continue and there will be changes to how the eastbound and westbound movements merge onto Tramway Blvd. at these intersections. In particular, the free flow movements have been removed. Please keep these changes in mind as the traveling public adjusts to these changes.
