

Akins Ford Offers \$1,000 Bonus Cash on Vehicle Trade-Ins throughout November

Ford Trade Assist Program Offers Cash Back on Qualifying Vehicle Trade-Ins

ATLANTA ([PRWEB](#)) November 13, 2020 -- As Thanksgiving nears, those looking to upgrade to a newer car can find one more thing to be thankful for this season. That's because Akins Ford is offering up to \$1,000 bonus cash on qualifying vehicle trade-ins now through the end of November.

During this time dealership guests can receive a \$1,000 trade assist rebate when they trade in any 1995 model year or newer vehicle as part of the month-long Ford Trade Assist program.

Customers who qualify for financing through Ford Credit will also be able to take advantage of several incentives available throughout the month, including opportunities to:

- purchase a 2020 Ford Edge and enjoy 0% APR for up to 36 months with \$2,500 due at signing.
- purchase a 2020 Ford Escape and enjoy 0% APR for up to 48 months with \$2,500 due at signing.
- purchase a 2020 Ford Explorer and enjoy 0% APR for up to 36 months with \$2,500 due at signing.

The Ford Trade Assist rebate offer expires on November 30, so interested parties are encouraged to act fast. Additional restrictions may apply. Those interested can connect with a dealership representative for more information on program terms and conditions by calling 770-867-9136.

Akins Ford hosts the largest selection of Ford vehicles in the state of Georgia and is the second-largest Ford dealer in the entire Southeast. The lot is currently home to more than 1,000 new Ford models with more new arrivals from the 2021 model-year lineup rolling in every week. The dealership's inventory is also available to view online at the Akins Ford website, <http://www.akinsford.com>. The Akins Ford dealership is located in the Atlanta metropolitan area at 220 W. May St. in Winder, Ga.
