

The 2021 Honda Civic Sedan has arrived at Krenzen in Duluth

Dealership in Duluth welcomes the 2021 Honda Civic Sedan to its showroom

DULUTH, Minn. ([PRWEB](#)) November 16, 2020 -- Individuals who are looking for a new sedan that is trustworthy and has been around for quite some time will like what the 2021 Honda Civic Sedan offers. It is available in five trim levels which include the LX, Sport, EX, EX-L and Touring. With a sleek profile, the 2021 Honda Civic Sedan captures attention as it goes down the road.

There are two engine options available in the 2021 Honda Civic Sedan. The first is a 2.0-liter inline 4-cylinder engine that produces 158 horsepower and 139 pound-foot of torque. The second option is a 1.5-liter inline 4-cylinder turbocharged engine that produces 174 horsepower and 162 pound-foot of torque. In addition, all trim levels come standard with an Eco Assist™ System.

Behind the wheel of the 2021 Honda Civic Sedan, drivers will find a leather-trimmed interior, heated seats, a one-touch power moonroof and a driver's seat that is able to be adjusted eight ways. In addition, Apple CarPlay and Android Auto come standard on the Sport trim level and above.

Honda Sensing® Safety and Driver-Assist technologies come standard on all of the 2021 Honda Civic Sedan trim levels. Systems that are included in this suite are a Collision Mitigation Braking System, Road Departure Mitigation System, Adaptive Cruise Control with Low-Speed Follow, Lane Keep Assist System, Forward Collision Warning and Lane Departure Warning.

Drivers in the Montgomery area who are looking for more information about the 2021 Honda Civic Sedan can visit the dealership's website at <https://www.krenzen.com/>. Individuals who have further questions can reach Krenzen by phone by calling 218-727-2905. Finally, for those who would like a more personal experience, the dealership is conveniently located at 2500 Mall Drive in Duluth.
