

## **Jack Ingram Nissan Welcomes the 2021 Nissan Altima to its Showroom**

*The 2021 Nissan Altima is now available at the dealership in Montgomery, AL*

MONTGOMERY, Ala. ([PRWEB](#)) November 16, 2020 -- Individuals who are looking for a mid-size sedan that has an impressive fuel economy, an available all-wheel-drive system and various safety features will like what the 2021 Nissan Altima offers. The sedan was redesigned two years ago, and it sets the standard high for its segment.

The 2021 Nissan Altima is available in six trim levels which include the S, SV, SR, SR VC-Turbo, SL and Platinum. In addition, the sedan is available in two drivetrain options which are front-wheel-drive and an available all-wheel-drive. The all-wheel-drive system allows individuals to feel more confident when behind the wheel, especially in inclement weather.

There are two powerful engine options available depending on the trim level that is chosen along with the fuel that is used in the sedan. The first is a 2.5-liter 4-cylinder engine that produces 188 horsepower and 180 pound-foot of torque or 182 horsepower and 178 pound-foot of torque. The second available engine is a 2.0-liter 4-cylinder turbo engine that produces 248 horsepower and 273 pound-foot of torque or 236 horsepower and 267 pound-foot of torque.

When it comes to safety, the 2021 Nissan Altima is a great option. It comes standard with Nissan Safety Shield® 360. Systems that are included with this suite are Automatic Emergency Braking, Rear Automatic Braking, Rear Cross-Traffic Alert, Blind Spot Warning, Lane Departure Warning and High Beam Assist.

Potential customers who would like to learn more about the 2021 Nissan Altima can visit the dealership's website: <https://www.jackingramnissan.com/>. Individuals who would like to learn more about the sedan can reach Jack Ingram Nissan by phone at 833-343-0674. Finally, the dealership is located at 227 Eastern Blvd. for those who would like a more personal experience.
