

## **The Powerful 2020 Nissan TITAN has arrived at Jack Ingram Nissan**

*Nissan TITAN truck with a newly, designed, more powerful engine is now available at the dealership*

MONTGOMERY, Ala. ([PRWEB](#)) February 19, 2020 -- The 2020 Nissan TITAN recently arrived at Jack Ingram Nissan with a new design and an updated engine. The truck now features a 5.6-liter Endurance® V8 gasoline engine that produces 400 horsepower and 413 pound per foot of torque. When premium fuel is used, these are the best-in-class ratings.

In addition to a new engine, there is also a new nine-speed automatic transmission under the hood of the 2020 Nissan TITAN. This assists the truck in a smoother and faster acceleration.

The 2020 Nissan TITAN has a maximum available towing capacity of 9,370 pounds and a maximum payload capacity of 1,680 pounds. These numbers are achieved when the truck is configured properly.

Inside of the 2020 Nissan TITAN is a cabin full of top-notch features. These include an eight-inch center area display that is Apple CarPlay and Android Auto compatible, a seven-inch programmable driver information display, NissanConnect® and Safety Shield 360.

Jack Ingram Nissan has earned the trust of its customers over the years by providing an atmosphere of no pressure. Whether an individual is ready to purchase a vehicle or just browsing the dealership's inventory, the dealership is committed to being straightforward and customer-focused.

Interested parties that would like to see the 2020 Nissan TITAN can visit the dealership's website at <https://www.jackingramnissan.com/>. If a customer has further questions, Jack Ingram Nissan can be reached by phone at 334-270-6000. Finally, for those who wish to see the truck in person and speak with someone at the dealership, it is conveniently located at 227 Eastern Boulevard in Montgomery.
