

## **Carl Black Kennesaw Offers Mixing and Matching of Six Winter Service Specials**

*Now through March 31, customers can customize services based on what their vehicle needs*

KENNESAW, Ga. (PRWEB) March 18, 2020 -- Carl Black Kennesaw is running a special on winter services now through March 31. There are seven services that customers can choose from including oil changes, tires, brakes, batteries, wiper blades, cabin air filters and engine air filters. The special is good for mixing and matching six of the seven offerings.

Under each of these categories, there is at least one special that a customer can choose from. For example, under the battery service option, there is a coupon code for a new battery. However, under the oil change category, customers can choose between a six-quart and an eight-quart oil change.

Carl Black Kennesaw has earned the trust of its customers over the years by focusing on customer service and by being straight forward with the pricing of vehicles. When customers arrive, they will be treated as VIPs and they will not have to guess how much a vehicle is going to cost at the dealership.

In addition, Carl Black Kennesaw also has a top-notch service department. Whether a vehicle is in need of an oil change or a major repair, the service department is dedicated to getting vehicles fixed and customers back on the road in no time.

Interested parties that would like to learn more about mixing and matching the winter services now through March 31 can visit the dealership's website at <https://www.carlblackkennesaw.com/>. Individuals that wish to ask Carl Black Kennesaw questions over the phone can call 888-457-2417. Finally, for those that would like to have a more personal experience and speak with a team member, the dealership is conveniently located at 1110 Roberts Boulevard in Kennesaw.
